

The Essential Gospel

Galatians 2:15-16

Jon Vinter – June 13, 2010

Being prepared to make a defense (1 Peter 3:15) when they say...

"I believe in a God of love, he wouldn't send anyone to hell..."

"no one's perfect, but I do my best to help others and give to charity..."

"everyone should believe in something..."

"Jesus was a wise teacher and a great example..."

"Christians think they're better than others..."

"I tried Christianity once but it didn't work..."
